- Reservoirs come complete with:
  - Lid and Fasteners.
  - Lid Gasket.
  - Primer Etched Inside and Out.
  - Drain Socket and Plug.
- Both Auckland and Christchurch offices have the facilities to mount product and topcoat reservoirs to customer requirements.
- Hyspecs reservoirs can be customised to suit specific requirements.
- Add Hyspecs stocked components such as Pumps, Valves, Filtration and 3 Phase Electric Motors, for a one source Power Pack supply.
- Listed sizes are normally stocked.
